

Translation services

Technical, economic, legal and applied science translations of all kinds.

Language combinations:

- English into German,
- English into Russian,
- Russian—German—Russian.

Certified Englisch—German translations.

A professional translation is a translation from particular sectors, such as technics, economics, law and applied sciences. Most commonly translated documents are, for example:

- Certificates of all kinds
- Contracts
- Instruction manuals
- Newspaper and magazine articles

- Brochures, catalogues
- Expert reports and advertisements

Translation prices depend on the complexity of the text, formatting, and of course on urgency. A very urgent translation is usually more expensive. Calculation is based on the target text. The minimum price is **0.75 Euros a line** (55 characters).

Translated certificates to be used for official purposes (e.g. birth certificates, school reports, diplomas), have to be certified. The price of a certification is **12 Euros**.

Minimum order price is **25 Euros**.
